---

**Personal**

Date of Birth: 1/10/1977.  
Gender: Male.  
Nationality: Palestinian.  
Place of Birth: Dora.  
Marital Status: Married

**Education**

- **2001** B.Sc. in Industrial Automation Engineering, from Palestine Polytechnic University (PPU), Hebron, Palestine, with an accumulative average of (87.7) and graded with distinction.
- **1996** High school certificate (AL-Tawgihi), from Dura Secondary school , Scientific Stream, average 88.6.
- **Other certificates**
  - 2011 Preparation of training programs curriculum and professional analysis .
  - 2010 Maintenance of cellular phone devices
  - 2009 Programing Microcontroller (PIC Controller)
  - 2008 Advanced course in logic programmable controllers.
  - 2007 Certificate of first aid
  - 2007 Mat lab Simulink
  - 2005 Computer networks
  - 2004 Teaching methods
  - 2003 Develop management skills

**Final year Project**

A Robot of indentation Machine, that carry Pipes from Container, which controlled with PLC technology.

**Languages**

Native language.	Arabic
very good in reading, writing and comprehension.	English

**Computer skills**

High level skill on the following:

- Windows, Office.
- AutoCAD, MATLAB.Circuit Makers.
- PLC Programming.

## **Experience**

- **Instructor at PPU in the college of applied Professionals since 2001**  
teaching courses : Electrical Drive1, Electrical Drive2,Electrical layout and diagram ,Electrical Protection and Control Equipments,Basics Electronic, Power Electronics, PLC Technology, Electrical Motor Drive,Electrical work shop, Electrical Measurements, Electrical Machines, besides supervising on Electrical Labs. (Power Electronics,Digital Eletronics, PLC, Pneumatic, Machines) .
- **Supervisor for final year project at Electrical Department .**
- **Coordinator for several programs in the electricity department at the College of Applied Professions,**
- **Main trainer and curriculum operator for several training courses in the field of electrical engineering at the continuing education department at Palestine polytechnic University .**
  
- **Main trainer of programmable logic controllers at PPU.**
  
- **Authored training unit in the field of building electrical control systems and mechanical and teacher manual for that module.**
  
- Authored training unit in the field of command and control systems for electrical machines.**
- **Authored training unit in the field of Electrical Installation and and teacher manual for that module.**
  
- **Chairman of evaluation Committee of the computer technology program.**
- **Chairman of the committee preparing the diploma program stone and marble industry**
- **Program Coordinator fr professional diploma Industrial Automation**

## **Interests**

Electrical and Electronics Software, Electronic Circuits Design, Reading, Internet.
