Personal Information

- Date of Birth : 25/1/1985
- Place of Birth : hebron
- Nationality: Palestinian

Education   ***2003***   ***Widad naser aldeen. School***   ***Hebron***

- General Study Certificate (Tawjihi) Scientific Stream.

2003 –2008   **Palestine Polytechnic University**   ***Hebron***

- BC.s.Eng, Civil Engineering. Surveying and Geomatics Field.

Graduation Project: Geo-Transform. This project aims to build a Geodetic Transformation software using visual Basic 6 programming language. This tool should be able to transform from Geographic coordinates (λ, φ, h) to geocentric coordinates (X, Y, Z) , and from geographic coordinates (λ, φ) to projected coordinates (Easting , Northing) and in the opposite direction using casini, Transverse Mercator (TM) and Universal Transverse Mercator (UTM). So that for surveying point there would be no need to use expensive software, and the time will not be spent to draw the point in the software format like GIS and CAD software.

Work Experience

1/9/2011 to this day   ***Palestine Polyticnic University (PPU)***   ***Hebron***

Position Site Engineer " Lecturer ".

Description of Duties: Give the material survey (1) + survey (2) + Geodesy
AutoCAD + GPS

10/2/2009 to 1/6/2011   ***Palestine Polyticnic University (PPU)***   ***Hebron***

Position Site Engineer "Teaching Assistant".

Description of Duties: Assistant Laboratory survey (1)+ lab survey (2) + Geodesy
Laboratory
Give the material survey (1) for the Diploma
Engineering Lab survey + AutoCAD + Autodesk for students of survey engineering

1/6/2008 to 8/8/2011   Zahdeh to engineering office   Hebron

Position Site Engineer "Surveying engineer".

Description of Duties: Follow up Surveying Works such as drawing plans & maps using mass2 & AutoCAD program. Field work to download the border and rewind the limits of land in addition to the work area maps and plans of the organization, Palestinian and Israeli Tabou and the work plans and schemesand secretion of the license

Computer Skills	
	▪ AutoCAD.
	▪ Autodesk Land Desktop 2006. (Certificate)
	▪ Softdesk 8.
	▪ EPANET2.
	▪ GPS Trimple Software.
	▪ Image Station Software (Photogrammetry Digital Stereo plotter / ZI-Imaging Company).
	▪ ArcVeiw GIS and ArcGIS.
	▪ Working with any type of surveying Total Stations.

Languages		**Reading**	**Writing**	**Speaking**
	English	Excellent	Very good	Very good
	Arabic	Excellent	Excellent	Excellent
